## Microphone Madness

A microphone must meet with today's demanding technical standards and provide great consistency and efficiency for a variety of applications. Whether for vocals, speech, karaoke, instruments, live performance, conference or recording, with our IVA microphones range you will be able to find the right one for your application. IVA Microphones always deliver consistent audio reproduction in any application setting. Furthermore, IVA microphones are affordable.

IVA Handheld Dynamic Microphones are designed for wide variety of vocal and sound reinforcement applications including: conference, public address, studio, karaoke, broadcast, video and others. IVA microphones design and construction provide the high level of quality needed to endure the rigors of day-to-day usage.
