EVF

Q Series

AV Electronics Marketing Sdn Bhd (AVEM), has been appointed by Robert Bosch (M) Sdn Bhd as the distributor for selected Electrovoice products. The range that AVEM carries are the Tour X, EVF, EVID speakers, Q series amps and DC-One speaker processor. This builds upon the AVEM Groups long-time close collaboration with Bosch on the PA, CCTV and Conference System products.

Customers can now come and have a listen to the above EV products at AVEM's showroom in KL. Eventually, all AVEM's showrooms in Penang, JB, Kuantan and Kuching will have EV systems on demo. The main target series of speaker for the distribution market are the Tour X and EVID Series.

Tour X embodies the same engineering excellence and aesthetic design found in every world-class EV tour system. Its form is seamlessly integrated into practical, functional elements that make a bold statement about the multi-application purpose and breakthrough performance. A host of innovative features and patent-pending designs make Tour X the most exciting portable loudspeaker series available. And...Made in the USA!!!

EVID speakers beautify not only the sound of a room, but also the looks. Designed to have best in class sonic characteristics and stunning high fidelity, EVID is typically at home in retail environments, boardrooms, restaurants, and bars.
